To celebrate our Singapore's National Day, **Hausmann Marketing Aquarium** in collaboration with **Singapore Tourism Board** is proud to come out with the following offers for the month of August.

Our farm is open to public. We have a collection of *giant exotic fishes, koi and tortoise feeding pond* for you to enjoy the thrill of feeding them.

We have a weekend seafood corner where you can buy home the freshest seafood for your love ones to enjoy.

We are a *one-stop aquarium store*, the sole distributor for **Rio, Seio, HyperFlow's** water pump and the largest supplier of **Walla-Vite Fish feed** in Singapore for commercial farming and home use.

Our farm also provides periodic **fish pond maintenance service** for homes, schools and factories guarantee to solve your green water problem, maintain your pond water in optimum condition and save you the hassle of cleaning the filter yourself.

### Promotion for August 2009
